CHIEF CLERK'S OFFICE**

28 March 2005

Attn: Elizabeth A. Rolando
Chief Clerk, Illinois Commerce Commission
527 East Capitol Avenue
Springfield, IL 62701

05-0203

Dear Ms. Rolando

With respect to removal of my Certificate of Service to provide Customer Owned Pay Telephone service in the State of Illinois, I wish to inform the Commission of the following:

1. My DBA nor I have at any time offered pay telephone service within the State of Illinois.
2. It was my intention at the time of certificate award to operate several pay telephones in Illinois, however, health problems, the explosion of pre-paid cards and cell phones combined to preclude my offering this service.
3. As explained in the referenced letter from the Commission, I understand that my certificate stands lapsed at this time. I have no intention of exercising any authorities or providing any services that would be permissible were the certificate active.
4. I request that My DBA be removed from any List of Telecommunications Carriers and removed from your mailing lists.

I further respectfully request to be excused from appearance before the Commission because my certificate was never exercised due to a change in business conditions, because I have no intention of reentering this business, and because travel to attend the Commission's Hearing presents a personal hardship at this time.

Please advise me with respect to my requests. If convenient, my email address is: aphbjr@aol.com

Sincerely,

Alton P. H. Brewer, Jr.
